

## **ABSTRACTS**

*Post - Procedure Administration of N-Acetylcysteine Does not Prevent Contrast-Induced Nephropathy in Patients With Chronic Kidney Disease Undergoing Angiography in Routine Practice*, Alfonso Suarez, Marc W. Mayhew, **Reza E. Ershadi**, Saema Mirza, Johnie E. Knobloch, Brigitta C. Brott, Vijay K. Misra, William B. Hillegass, University of Alabama at Birmingham, Birmingham, AL. Accepted for Poster Presentation, SCAI May 2007.

*Hyperglycemia Predicts Peri-procedural Nephropathy*, **R.E. Ershadi**, M.W. Mayhew, S. Mirza, G.J. Zoghbi, B.C. Brott, V.K. Misra, W.B. Hillegass, Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. Poster Presentation, March 2007, University of Alabama at Birmingham, Department of Internal Medicine Annual Trainee Research Symposium.

*Exacerbation or Development of Hyperglycemia Predicts Peri-procedural Nephropathy*, **R.E. Ershadi**, M.W. Mayhew, S. Mirza, G.J. Zoghbi, A. K. Kelly, V.K. Misra, B.C. Brott, W.B. Hillegass, Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. Oral Presentation - AHA Scientific Sessions, November 2006. *Circulation*, Volume 114, Number 18, October 31, 2006, (Supplement), II-872, abstract 4044.

*Preprocedural Anemia Is a Significant Predictor of Hospital Cost in Percutaneous Coronary Intervention*, William B. Hillegass, Brigitta C. Brott, **Reza E. Ershadi**, Marc W. Mayhew, Silvio Papapietro, Gregory D. Chapman, Paul R. Myers, Vijay K. Misra. Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. Moderated Poster Presentation - AHA Scientific Sessions, November 2006. *Circulation*, Volume 114, Number 18, October 31, 2006, (Supplement), II-862, abstract 4011.

*Peri-procedural hyperglycemia predicts development of contrast-induced nephropathy*, **R.E. Ershadi**, M.W. Mayhew, S. Mirza, G.J. Zoghbi, B.C. Brott, W.B. Hillegass, Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. Poster presentation, Alabama Chapter ACC Annual Abstract Competition, Third Place, June 2006.

*Prophylactic administration of N-acetylcysteine does not prevent contrast-induced nephropathy in patients with chronic kidney disease undergoing angiography in routine practice.* M. Mayhew, **R. Ershadi**, S. Mirza, J. Knobloch, V. Misra, W. Hillegass, Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. Poster Presentation, SCAI May 2006. *Catheterization and Cardiovascular Interventions*, Volume 67, Number 5, May 2006, 790, abstract C-7.

*Hyperglycemia predicts contrast-induced renal dysfunction*, **R.E. Ershadi**, M.W. Mayhew, S. Mirza, G.J. Zoghbi, B.C. Brott, W.B. Hillegass, Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. Oral Presentation, SCAI May 2006. *Catheterization and Cardiovascular Interventions*, Volume 67, Number 5, May 2006, 735, abstract O-7.

*Use of Acetylcysteine for prevention of contrast induced nephropathy in patients undergoing cardiac catheterization in routine practice*, Marc Mayhew, MD, **Reza E. Ershadi**, MD, William B. Hillegass MD, Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. Poster Presentation, March 2005, University of Alabama at Birmingham, Department of Internal Medicine Annual Trainee Research Symposium.

*Outcome of patients after liver transplantation: Prognostic role of stress perfusion imaging*, **R.E. Ershadi**, G.J. Zoghbi, A.D. Patel, S.J. Bynon, J. Heo, A.E. Iskandrian, Division of Cardiovascular Disease, University of Alabama at Birmingham, Birmingham, Alabama. *Journal of Nuclear Cardiology*, Volume 10, Number 4, July-August 2003, S23.

*Prediction of cardiac events from a negative stress myocardial perfusion study in patients undergoing aortofemoral bypass*, J.A. Golzar, **R.E. Ershadi**, W.C. Reeves, C.F. Ervin, C.S. Powell, Assad Movahed,

Department of Cardiology, East Carolina University, Greenville, North Carolina. American Journal of Hypertension, 14: 4 (Supplement 1), April 2001, A175.

*Value of a negative stress myocardial perfusion study in patients undergoing abdominal aortic aneurysm repair*, J.A. Golzar, **R.E. Ershadi**, W.C. Reeves, C.F. Ervin, C.S. Powell, Assad Movahed, Department of Cardiology, East Carolina University, Greenville, North Carolina. American Journal of Hypertension, 14: 4 (Supplement 1), April 2001, A242.

*Differences in resting and exercise blood pressure in normotensive blacks and whites*, **Reza E. Ershadi**, Denise N. Hunter, A. Ali Azad, Melvin S. Swanson, Assad Movahed, Department of Cardiology, East Carolina University, Greenville, North Carolina. Chest, 2001, Oct; 120: 133S-372S.

*Streptococcus agalactiae Meningitis in a HIV Patient: A Rare Occurrence*, **Reza E. Ershadi**, Ashish Soni, Bruce Hathaway, Department of Internal Medicine, East Carolina University School of Medicine, Greenville, North Carolina. Poster Presentation, North Carolina ACP-ASIM Annual Meeting, February 2001.
